**STANDARDIZED INTEGRATION STATEMENT  
OF  
KES COMMUNICATIONS, INC.**

KES Communications, Inc. ("KES"), by Counsel, and pursuant to Section 1.325(c) of the Commission's Rules, as well as *Prehearing Order, FCC 93M-121 (released March 25, 1993)*, hereby submits its Standardized Integration Statement in the above-captioned proceeding.

**Ownership Structure**

KES is a California corporation that was incorporated on September 24, 1991. The total number of shares which KES is authorized to issue is 500 shares of Voting Common Stock and 500 shares of Non-Voting Common Stock. KES's sole shareholder is Karen Eileen Slade. Ms. Slade holds all 500 shares of the

Voting Common Stock. She is also the President, Secretary, Treasurer and a Director of KES.

#### **Management Integration**

Ms. Slade will serve as the station's full-time General Manager. As General Manager, Ms. Slade will work at least forty hours per week. Her duties will include planning and overseeing the construction of the facility, and the hiring of all station employees. As General Manager, Ms. Slade will also supervise the station on a day-to-day basis, and have overall responsibility for every station policy decision, including sales, personnel and programming. Ms. Slade will have the ultimate responsibility to hire and fire all station employees, and she will implement the station's EEO program. In the event the FCC grants KES's application, Ms. Slade will terminate all of her employment so that she may devote all of her time and energies to building and running the new station.

#### **Other Media Interests**

Except for her stock ownership interest in KES, Ms. Slade does not have any other media ownership interests.

#### **Minority and Female Enhancement**

KES is claiming qualitative enhancement credit for minority and female ownership since Ms. Slade is an African

Local Residency & Civic Participation

KES is not claiming any qualitative enhancement credit for past or present local residency, or civic involvement in the community of Waimea or within the proposed service area of the Waimea station. However, KES is claiming qualitative enhancement credit for future local residency because if the FCC grants KES's application, Ms. Slade promises to relocate her residence to within the station's proposed 1 mV/m service contour, and reside there full time.

Although KES is not claiming any qualitative enhancement credit for local civic involvement, the FCC should recognize that Ms. Slade is a community-oriented person, whose nature is to become involved in local community affairs. For example, Ms. Slade recently received the following awards and citations while residing in the Los Angeles area:

- |      |  |
|------|--|
| 1989 | Helpers for the Homeless and Hungry ("HHH") Award - helped coordinate food and clothing drives for the Los Angeles area homeless and hungry, and helped coordinate a rally to Washington, D.C. |
| 1990 | Awarded a Citation from the City Counsel of Los Angeles for exemplary community service  |

---

<sup>1</sup> Although the FCC no longer awards qualitative enhancement credit for female ownership, Section 1.325(2)(v) still mentions female ownership. Thus, out of an abundance of caution, KES hereby reports that Ms. Slade is female.

1992-93 Received L.A. Sentinel Newspaper  
Community Service Award for her  
leadership role in providing news  
coverage of the 1992 Los Angeles riot.

### Broadcast Experience

KES is claiming qualitative enhancement credit for Ms.  
Slade's previous broadcast experience, as described below:

KJLH-FM (Compton, CA): From March 1989 to the present,  
Ms. Slade has been employed full time as General Manager.  
Her duties include the management of all station  
departments, including Accounting, Sales, Programming,  
Engineering and Administrative. As General Manager, Ms.  
Slade also negotiates business contracts, and is  
responsible for establishing budgets and generating  
revenue. She monitors the station's profits and losses.

WKYC-TV (Cleveland, OH): From March 1977 through June  
1977, Ms. Slade was a College Intern "Associate Producer"  
for academic credit with this NBC affiliate. As Associate  
to the Senior Producer/Director for a weekly public  
affairs program, Ms. Slade was in charge of scheduling  
and coordinating talent, coordinating music and prop  
orchestration.

Ms. Slade's leadership role in broadcast management is  
also evidenced by the following awards that she has received  
as a result of her community oriented management work at KJLH-  
FM:

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

2. Once the problem is identified, the next step is to define the objectives and goals of the project. This helps to clarify what needs to be achieved and provides a clear direction for the team.

3. The third step is to develop a plan or strategy to address the problem. This involves breaking down the problem into smaller, manageable tasks and determining the resources needed to complete each task.

4. The fourth step is to implement the plan. This involves putting the strategy into action and monitoring progress to ensure that the project is on track.

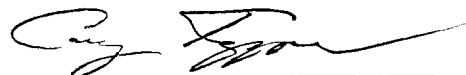

5. The final step is to evaluate the results of the project. This involves assessing the outcomes against the objectives and goals and identifying any areas for improvement.
